Gaming Headset with AMS

17,95 pro Stück inkl. MwSt.

HPX 2000M

Beschreibung

- Performance stereo headset for listening and communication (Skype, MSN, Yahoo) with AMS-technology (bass vibration).
- Integrated bass power amplifier, equipped with 2 pcs. AAA batteries.
- Highly sensitive omni directional microphone for best speech quality.
- Individually adjustable headband, flexible microphone and soft ear cushions for long term operation.

Besonderheiten

- AMS-Technology: this headset features a bass vibration function that provides a force feedback effect in gaming applications and movies.
- Cable remote control: audio volume and AMS level can be controlled with cable integrated remote bar.
- Noise Isolation: the comfortable soft ear cushions effectively reduce ambient noise (noise-isolation).

Technische Daten:

- Driver unit: 40 mm ø
- Vibration-exciter 30 mm ø
- Impedance: 32 Ohm
- Sensitivity: 105 dB
- Frequency response: 20 - 20.000 Hz
- Operation voltage: 3 V (2x AAA battery)
- Cable length: 2,75 m
- Weight: 298 g
- Connection: 2 x 3,5 mm mini plug (mic & stereo)
- Microphone:
- Directivity: Omnidirectional
- Impedance: 2,2 K Ohm
- Sensitivity: -58 dB
- Frequency response: 30 - 16.000 Hz
